Dear Bill,

... I did want to drop you a line to say what a great experience it was working with your company (June 3rd wedding, 1655 Dillingham Blvd, Norfolk Naval Station, Aramark Catering). I appreciated your visit out to our quarters and your good thoughts, expertise and professionalism. Also, everyone I dealt with on the phone was courteous and informative and a pleasure to deal with as well.

To top all of that, the crew that came to set up the tent was remarkable. "Q" (Quinn?) and his guys were not only hardworking, and it was a very hot day, but they were also so very, very pleasant. They were smiling and taking pride in what they were doing as well as working hard to please us.

In this day of less than "happy campers," this crew really stood out and truly knew how to give service. They impressed me very much.

The tent was lovely, just the right size for our group, and everything worked like they were supposed to (lights, tent flaps, leggings). It was all in all a very positive experience for me and I would highly recommend your company to anyone looking for event rentals.

Again, thank you for your professional and outstanding service.

Sincerely,
Ann Kemp
